

IMPORTANT

THE BALLY TUFF - COAT PLAYFIELD HAS A IMPROVED FINISH WITH EXCELLENT WEARING PROPERTIES. TO EXTEND THESE WEARING PROPERTIES TO THEIR MAXIMUM, NEVER UNDER ANY CIRCUMSTANCES USE WATER SOAP SOLUTIONS OR HARSH ABRASIVES TO CLEAN PLAYFIELD. ALSO AVOID USE OF SUCH THINGS AS STEEL WOOL, KITCHEN CLEANSERS OR ABRASIVE HAND SOAPS.

WATER WILL WEAKEN THE ADHERING POWER OF THE PAINT AND ABRASIVES WILL SCRATCH AND SCUFF THE PAINT AND THEREBY SHORTEN THE LIFE OF THIS PLAYFIELD BY THOUSANDS OF PLAYS. A WAX BASE CLEANER WITH NEGLIGIBLE ABRASIVE QUALITIES, USED LIGHTLY, BUT FREQUENTLY, WILL EXTEND THE LIFE OF THIS PLAYFIELD TO ITS FULL CAPABILITIES.
